## **ANNUAL GENERAL MEETING REPORTS**

**2023 – 2024**

### **VICE-PRESIDENT ADMINISTRATIVE REPORT**

As VP Admin my job is to help with the day to day running of the club. My role includes many things but the most important is the communication with the members and potential members. I answer all phone calls and emails sent to the club. This can be a very time-consuming role especially starting in August all the way through until end of February. The bulk of the inquiries are about PreCan and Canskate. It is so important that these calls and emails get answered as quickly as possible as they are all potential new members and stakeholders in our club. They are the future of Port Credit FSC. I want to thank my fellow board members for helping to make this a great year. I move that this report be accepted into the minutes as read.

This report is submitted by Siobhan Crawley. I move that this report be accepted into the minutes as presented.

### **VICE-PRESIDENT TECHNICAL REPORT**

As VP Technical, my main role is to support the President in their absence. This Board decided to once again have the 2 VP's share the duties until a member was ready to take the reins. Siobhan and I have Co-Chaired and tried to help and lead the other members of the Board. It is an extremely talented and hardworking group on the Board this past year. They have done a fabulous job.

Thank you also to all the families who volunteered and skaters who were Program Assistants. This group has worked so hard to keep the club running efficiently. Thank you all.

This report is submitted by Elizabeth Stewart-Molnar. I move that this report be accepted into the minutes as presented.

### **SECRETARY'S REPORT**

It was my pleasure to once again accept the role of Secretary for the past season. Minutes were taken and distributed to Board Members every month. The meetings were usually held the second Monday of the month and were all held via Zoom.

Thank you to all Board Members who provided me with notes and reports prior to each meeting. This was very helpful.

All reports and minutes can be found in the binders that I've provided.

This report is submitted by Mary Harrington. I move that this report be accepted into the minutes as submitted.

### **TREASURER'S REPORT AND FINANCIAL STATEMENTS**

In 2023-24, club continued to grow and increased revenues in all categories.

2023-2024 financial statements were prepared by external bookkeeper.

We successfully passed audit for 2022-2023 FY and are now in the process of audit for 2023-2024 FY, which will allow us to continue collecting lottery revenues and subsidize the cost of ice.

Our expenses slightly declined during year 2023-24 due to the past year being "no carnival year".

We continue working on streamlining our operations and implementing additional controls to ensure compliance with regulatory environment.

This past year, Club did not apply for any grants as we were able to facilitate all our expenditures by own revenues.

We continue to carry over significant account balances to meet Skate Canada requirement to maintain reserves equivalent of one year of operating expenses.

I would like to thank the Board members, coaches, and volunteers for their time and dedication to the Club. It has been a busy but successful year.

This report is submitted by Anna Komissarenko. I move that this report be accepted into the minutes as presented.

## **COMMUNICATIONS CHAIR REPORT**

I am pleased to present my report as Communications Chair for the Port Credit Skating Club, where my primary goal has been to ensure that our members stay well-informed and connected.

Throughout the year, I have prioritized clear, timely, and targeted communications across multiple channels, including regular emails and an active presence on social media platforms. This multifaceted approach has allowed us to keep members up to date with essential information, announcements, event details, and any changes to schedules in real-time.

This year, we introduced a monthly newsletter distributed at the beginning of each month to enhance engagement with families. The newsletter provides a consolidated view of important dates, upcoming events, and other club highlights, ensuring that everyone has easy access to what's happening at the club and can plan accordingly.

In addition, we have continued to maintain a dynamic presence on Facebook and Instagram. I encourage all members to follow these platforms to stay connected and engage with our latest club news, photos, and event updates.

Thank you for the opportunity to serve as Communications Chair. I remain dedicated to fostering effective communication within the club and respectfully submit this report for inclusion in the minutes.

This report is submitted by Sally Shen. I move that this report be accepted into the minutes as presented.

## **CANSKATE CHAIR REPORT**

The CanSkate season for 2023-2024 commenced with enthusiasm and vibrancy. All CanSkate, PreCanSkate, Adult/Teen CanSkate, and Learn to Figure Skate (LTFS) sessions operated at full capacity. This uninterrupted year saw smooth operations across all sessions, garnering positive feedback from parents, guardians, and the skaters themselves.

I would like to acknowledge and extend our heartfelt gratitude to our exceptional Coaching Team for their unwavering commitment to delivering a safe and enjoyable program for our skaters. Their dedication and expertise were instrumental in ensuring the success of the CanSkate season.

We are deeply appreciative of our Program Assistants who generously volunteered their time and skills, contributing significantly to the success of the 2023-2024 CanSkate season. Their support and enthusiasm played a crucial role in the program's achievements.

Special thanks go out to our parent and guardian volunteers who helped run the CanSkate table and assisted on the ramps throughout the season. Their time and efforts helped keep everything running smoothly, allowing us to focus on delivering a fun and productive experience for our skaters.

I would like to extend many thanks to the Port Credit Skating Club Board for their invaluable assistance with our CanSkate table throughout the season. Their support facilitated the smooth execution of various aspects of the program.

In conclusion, the CanSkate program for the 2023-2024 season has been a resounding success. We are proud of the positive feedback received from both parents/guardians and skaters, and we attribute this achievement to the dedicated Coaching Team, the generous Program Assistants, and the support from the Port Credit Skating Club Board.

This report is submitted by Heather Koziol, CanSkate Chair. I hereby move that this report be accepted into the minutes as presented.

### **BINGO REPORT**

We have now been at the new space for Delta Bingo at Rockwood Mall on Dixie Road for a little over a year. This is a great location which brings steady business. Our licence is up-to-date and bingo sessions from November until April 2025 are all covered. We are very lucky to have the volunteers in place to ensure we can secure this additional income which is essential to ensure that we can continue to keep the skating program costs down. There has also been additional advertising at the Hall installed with the Port Credit Skating Club logo which we hope brings more awareness to our club.

We look forward to increased attendance at the bingos which will further help our income. Bingo income for the year since our last AGM was \$27,581.16. As per our license, this money is used to pay a small portion of our ice bills.

This report is submitted by Anastassia Kononenko. I move that this report be accepted into the minutes as presented.

### **SKATER DEVELOPMENT CHAIR REPORT**

The 2023 - 2024 season was another great season for the Port Credit FSC. The club sent 7 skaters to the Skate Ontario Championships, with those skaters securing 7 medals.

Outside of Skate Ontario, we had one skater who represented Port Credit FSC and Skate Ontario at the Skate Canada Challenge event in the Pre-Novice Men's category.

We also had 3 skaters (1 freeskater and 1 dance team) compete at the Skate Ontario Adult Provincial Championships, bringing 2 gold medals home to Port Credit FSC!

The club's off ice programming has continued to thrive and grow.

We look forward to watching the skaters progress this season with the help of our great coaching staff and the support of our membership, Board of Directors and their teammates.

This report is submitted by Meghan Harrington. I move that this report be accepted into the minutes as presented.

## **ASSESSMENT CHAIR REPORT**

This report is submitted by Julia Macleod. I move that this report be accepted into the minutes as presented.

## **COMPETITION REPORT**

What a terrific competition season for our club. In the 2023/2024 season. All our skaters showed real grit, determination, and competitiveness but more than anything they had fun. Aside from the Skate Ontario Taylor Swift Concert event enrolment system it was a very successful season. No less than 7 of our skaters (Lincoln Clarke, Fredd Zhang, Isla Koziol, Constantina Mamas, Trissa Zhang, Chia-Yu Ou and Stella Bremner) competed at the Skate Ontario Provincial Championships in 13 different events in which we had 6 medallists with Lincoln securing a Gold in in the Gold Artistic event. Lincoln also had the honour of returning to the Skate Canada Challenge in which he competed in the Pre-Novice Men's division.

Our adult skaters carried the banner for our club with pride and we had 3 provincial champions at the Skate Ontario Adult championships. Daric Shi took Gold in the Artistic Gold Men's event while Gwendolyn Eadie and Aaron Springfield secured Gold in the Elite Dance couples.

As a club one of the best features of our competitors is the sportsmanship they show to others and the team spirit they embody when competing together. This was highlighted when as a club we beat out at least 2 dozen other American and Canadian clubs to come first overall at the Spring Skate Festival in Cheektowaga hosted by the Skating Club of Western New York. While war cries need a little work it was a terrific event in which every skater and our club truly shone.

This report is submitted by Ross Kutisker-Jacobson. I move that this report be accepted into the minutes as presented.

### **PRO LIAISON CHAIR REPORT**

Port Credit is in the very enviable position of having a very dedicated and committed professional staff. I would like to take this opportunity to thank them all for their extraordinary work. They have been so supportive and flexible which kept our programs running and among the best available. We wish our CanSkate coaches who left for university, the best of luck in their studies and wholeheartedly welcome the new members to our professional staff.

This year we had to say a very fond farewell to one of our long-term skating coaches, Jenny Fleming. We wish her all the very best and hope she'll be back to visit often.

This report is submitted by Elizabeth Stewart-Molnar. I move that this report be accepted into the minutes as presented.

### **COACHES REPRESENTATIVE REPORT (2023-2024)**

We were fortunate to have some of our older skaters complete the Canskate course and join our Canskate coaching team.

Our club hosted a simulation for our Starskaters in November, and it was a great success. Our newer coaches had the opportunity to act as evaluators and assist in running the Star 1 simulation. The coaches have indicated that they would like to have simulations more than once a year.

This past spring we were able to return to the Cheektowaga Skating competition for a weekend of fun and competition which was full of wonderful memories for our skaters and their families.

We want to thank Jenny Fleming for her dedication to the club. She was a skater with the club starting in Pre Canskate and eventually graduated to coaching with us for many years. The coaches are sad to see her go but we wish her well as she begins a new adventure.

This report is submitted by Sarah Rowsell. I move that this report be accepted into the minutes as presented.

### **ICE CHAIR REPORT**

Port Credit FSC ice allocation for the 2023/2024 season was at Port Credit Arena for Fall and Winter. Spring and Summer was at Erin Mills Twin Rinks. Our allocation is based on numbers in each level. This is why it is so important to keep our membership numbers where they are. Our dryland training was back at Port Credit Arena as the Library renovations were completed and the library moved back into their own facility. We increased the number of hours/weeks that we contract for Spring and Summer ice. We had an off-ice program in the Spring and Summer at Erin Mills Arena. It was a pleasure serving on the 2023/2024 Board of Directors. I would like to thank my fellow board members and the coaching team of Port Credit FSC for making it a successful year.

This report is submitted by Siobhan Crawley. I move that this report be accepted into the minutes as presented.
